Ms.

Compulsory Elective Internship in the Master's Program in Internationale Wirtschaft und Governance, M.A.

Ms.
born on in
is enrolled in the Master's Program in "Internationale Wirtschaft und Governance" (M.A.) at the University of Bayreuth.

It is hereby confirmed that the completion of a compulsory elective internship as part of the Master's program in "Internationale Wirtschaft und Governance" is expressly recommended by the University of Bayreuth in accordance with the examination and study regulations for the Master's program in "Internationale Wirtschaft und Governance" at the University of Bayreuth dated 10 June 2010 in the version of the amendment to the statutes dated 20 June 2017.

For the completion of a compulsory elective internship with a duration of at least six (twelve) weeks, the student is awarded six (twelve) credit points (ECTS) in the module area "Individual Focus".

Students are expressly recommended to pursue a longer lasting internship or an additional internship on a voluntary basis.
